EMT CLASS, Spring 2022

What does the class cover?

The course curriculum covers all EMT knowledge and skill requirements for the EMT National Education Standards (NES).

If you are a self-motivated, goal-oriented student who enjoys being challenged, this is a great educational opportunity that will aid in your goal of an NREMT, EMT Certification.

Upon successful completion of this EMT basic course a student will be authorized to take the National Registry of Emergency Medical Technicians (NREMT) practical skills and cognitive examinations. After passing the examinations the student will be awarded NREMT EMT Certification. These certification exams are used as a basis for state licensure or certification in most states.

Where will classes be located?

Classes will be a combination of online live zoom classes and in-person at Southern Cascades Training Center in Adin.

When is the class?

Class starts January 8th 2022.
