Notice is hereby given that the Lassen Local Agency Formation Commission (LAFCo) will hold a public hearing to consider the following item:

File No. 2026-05: SCCSD Activation of Recreation Services.

This proposal is for the activation of a latent power of the Southern Cascades Community Services District (SCCSD) to provide recreation services within its existing jurisdictional boundaries in northern Lassen and southwestern Modoc counties. The application was filed by the Southern Cascades Community Services District. The proposal, if approved, would authorize the District to administer and operate an existing community youth baseball program utilizing existing recreational facilities and volunteers. The District would be responsible for registration, fee collection, budgeting, purchasing, scheduling, equipment management, volunteer coordination, and general program oversight. The proposed activation aims to provide stable administration, financial accountability, volunteer oversight, and long-term continuity for the existing youth baseball program. No changes to the District's jurisdictional boundaries, new development, construction of new facilities, or changes in land use are proposed.

The Commission will consider oral and written testimony by any interested person or affected agency, as well as the report of the Executive Officer. At the hearing, the Commission may approve or disapprove a proposal with or without amendment, wholly, partially, or conditionally, or may continue its consideration with or without amendment, as a whole, in part, or upon such conditions as the Commission may determine. The Commission will also consider the environmental determination for the proposal under the California Environmental Quality Act (CEQA), as described in the Executive Officer's report. The applicant has identified the proposal as categorically exempt pursuant to CEQA Guidelines Section 15320, Class 20 (Changes in Organization of Local Agencies).

Persons may attend and be heard at the time and place of the hearing. If you challenge the action of the Commission on the above-stated item in court, you may be limited to raising only those issues raised at the public hearing described in this notice, or in written correspondence delivered to the Lassen Local Agency Formation Commission at, or prior to, the public hearing. The Executive Officer's report will be available for review at Susanville City Hall, located at 66 North Lassen Street, Susanville, CA 96130, and, as practicable, on the LAFCo website at https://www.lassenlafco.org/, five (5) days prior to the hearing. The contact person is Jennifer Stephenson, Executive Officer, who may be reached at (310) 936-2639 or jennifer@pcateam.com.
